Upon motion by Mr. Satteson, seconded by Mr. Tharp, unanimously carried to approve the Treasurer's Report for June and July 2026.

The Investment Report's for June and July were also distributed. (Copy attached)

The following bills for June and July were ratified:

Douglas Parker	\$7,250.00
Northern Industrial Supply	\$11,513.60

Mr. Oberdorf stated that the CD investments will mature on September 22, 2026. Mr. Oberdorf asked the Board to think about where and how they would like to re-invest the money after it becomes available. Mr. Oberdorf has received some rates but since it is over 30 days until the funds are available the markets will probably change. Mr. Oberdorf stated he would like to stay with a local bank with the investments. After a lengthy discussion, it was decided to have the Manager gather more information and wait until the next meeting on September 15, 2026 to make a decision.

Managers' Report:

Mr. Oberdorf stated that the tank repairs are scheduled to begin on August 31, 2026, and if everything goes well with the repairs, he should be able to get the tank back in service by the second week in September.

Mr. Oberdorf stated that he started contacting other wastewater plants for wages and benefits for 2027. Unfortunately, the first three contacts he made all asked for a Right-To-Know Request's so he just continued sending the requests, rather than contacting them by email or verbal.

Mr. Oberdorf distributed the 2026 ½ yr Budget for review.

Mr. Oberdorf distributed June and July's plant data.

Mr. Oberdorf reported that he is already actively looking into all options, including other agencies, for our health, liability, auto and pollution coverages. Mr. Oberdorf stated that it may be beneficial for the Authority to renew our health care coverage on October 1, 2026, rather than to wait until January 1, 2027.

There being no further business to come before the meeting, upon motion by Mr. Goodhart, seconded by Mr. Zeigler, and unanimously carried, the same was duly adjourned at 8:56 a.m. The next meeting of the Authority will be on Tuesday September 15, 2026.

Respectfully submitted,

Tacie Shimko
Assistant Secretary
